Restivo Monacelli LLP Earns Several Top Recognitions From INSIDE Public Accounting in its 25th Annual Best of the Best Firms

PROVIDENCE, R.I. September 5, 2019 – Restivo Monacelli LLP, an innovative tax, accounting and business advisory firm, today announced that it earned several prestigious recognitions by Inside Public Accounting (IPA), including “2019 Fastest Growing Firms” and “2019 Best of the Best Firms.” In addition, Restivo Monacelli was one of only two Rhode Island firms to be named a “2019 IPA Top 400 Firm.”

For 25 years, IPA has analyzed the financial and operational metrics of hundreds of public accounting firms across the U.S. and in Canada to identify the highest performing, “Best of the Best” firms each year. The 2019 recognitions, which were announced yesterday in IPA’s September issue, honors CPA firms for their superior financial and operational performance based on more than 70 criteria. As one of the longest-running and most comprehensive surveys in the U.S., IPA collects data from the 2019 Survey & Analysis of Firms, and uses a rigorous scoring system to rank each of the 550 firms that participated against 50 financial and operational metrics. The result is IPA’s 2019 Best of the Best lists, which include 50 U.S. firms above \$5 million, 10 under \$5 million and five Canadian firms.

“It is a great honor to be recognized as a Best of the Best Firm in several categories by IPA,” said Edmund A. Restivo, Managing Partner. “We attribute this significant accomplishment and our continued growth and success to our top-notch team, who are devoted to providing best-in-class services and forward-thinking solutions to our clientele.”
